

Water warriors vs water wasters

Waterwise Challenge!

You will need:

- A printed copy of the Water Warrior vs Water Waster cards
- A bunch of other watery images - hunt through magazines or ask an adult's permission to use the internet to find examples of Water Warrior and Water Waster pictures like a dripping tap, a burst pipe, or somebody watering their garden with a watering can. Can you find an image of someone brushing their teeth using a cup of water?
- A family member to play with

Steps:

1. Print/cut out the Water Warrior vs Water Waster cards and place in a pile.
2. Invite a family member to the challenge. Place all the images face down in between you.
3. Take turns to flip a card and ask your family member if they think it is a Water Warrior or Water Waster example and why. Work together to place the pictures into separate piles.
4. Discuss each choice - Do you agree on each one? Who in your family does these things? How could you all be Water Warriors?
