

Water warriors vs water wasters

Waterwise snap

You will need:

- 2 x printed copy of the Water Warrior vs Water Waster cards
- Some thin cardboard to stick your cards onto if you want them to be a bit stronger and last a bit longer
- A few family members to play with!

Steps:

1. Print the Water Warrior vs Water Waster cards on thin cardboard, or print them on paper, cut them out and stick them onto some cardboard.
2. Make sure your cards are all the same size so you can't tell the difference between them when you are playing!
3. Play snap, pairs or memory with someone in your family.
4. Instead of yelling out snap, you could yell out, "Water!".
